Date 14 January 1976

TO : CIA Task Force  
FROM : The Review Staff, [REDACTED]  
SUBJECT: SSC/HSC Request

RECEIVED: Date \_\_\_\_\_ Time \_\_\_\_\_

A request from the HSC has been written and is en route to the Agency, requesting all available information on the deaths of two Americans in Chile in 1970 (or thereabouts). The two men are Frank R. Teruggi and (fnu) Hdrman. The HSC understands that the DDO has rejected requests for information on these two men under FOIA on the grounds of "sources and methods."

The HSC request letter will reach the Agency late this afternoon (14 Jan.) This note is an alert, since the HSC has requested our reply by Monday, 19 January. Much of what the HSC knows in this matter has come from the State Department, which is described as being "very cooperative" in passing on information.
